## Why participate?

- ✓ Gain access to resources, peers, champions, coaching, support, and evidence based best practice guidelines for providing gender affirming care and primary care to transgender patients
- ✓ Share resources, challenges, strategies, and problem solve together to improve access to care

# Subscribing to updates

Click on the “Subscribe to Updates” button as shown below to get an email notification when there is new activity in the group so you'll never miss out!

The screenshot displays the Quorum interface for a group titled "Halton Gender Affirming Care Community of Practice". The group's description states it is for primary care physicians, specialists, and other health professionals in the Halton Region. Below the description, there are three paragraphs detailing the group's purpose and goals. The page includes a search bar with the placeholder text "Enter keyword to search Activity Feed" and a "SEARCH" button. At the bottom left, there are tabs for "Activity", "Members", and "Attachments". A message input field with the placeholder "Leave a message for the group..." is visible. On the right side, there is a section for "Group Administrators" listing "Michelle Gregory-Brooks". A large orange arrow points to the "Subscribe to updates" button located at the bottom left of the page.
