

# New SCOPE services available to Burlington Primary Care Providers!

We are excited to announce that **new SCOPE pathways** are available to Burlington primary care providers (PCPs) through the Halton SCOPE program. This is made possible by collaboration between Halton Healthcare and the Burlington Ontario Health Team (OHT).

Seamless Care Optimizing the Patient Experience (SCOPE) connects PCPs by improving access to high quality hospital and community care for their complex and/or urgent patients. SCOPE services available to Burlington PCPs include:

## SCOPE Pathways at Joseph Brant Hospital

- Mental Health & Addictions

Registered PCPs call **365-292-8490**

## SCOPE Pathways at Halton Healthcare \*NEW December 2025\*

- System Navigation
- Diagnostic Imaging
- General Internal Medicine
- Cardiology
- Long-Term Care
- Wound Care
- Paediatrics
- Fracture Clinic

Registered Primary Care Providers call the Halton SCOPE Line at **289-952-2457**

Halton SCOPE Fax: **905-815-5142**

Halton SCOPE Email: [scope@haltonhealthcare.com](mailto:scope@haltonhealthcare.com)

### Registration Information:

If you are a PCP who has **not** yet registered with Halton SCOPE or JBH SCOPE, we invite you to register using either of the options below:

1. Scan the QR Code
2. Visit [www.haltonhealthcare.on.ca/scope](http://www.haltonhealthcare.on.ca/scope)

### Already registered with SCOPE?

No action needed — your registration now includes access to both Halton Healthcare and JBH SCOPE pathways

Register now!
